

**Classroom teaching and learning solutions.**  
Supporting every step of your learning journey.

## Exciting new offers from ITSi for 2021

### Educator

Get everything you need to create the ultimate learning experience.

#### Books and resources:

Access our wide range of e-books, free material, and other resources to take your teaching to the next level.

- Approximately 400 000 e-books from more than 14 000 local and international publishers (hard copy books coming soon).
- Our free e-learning application *miEbooks*.
- Classroom learning tools (such as Cami's practice software).
- Free material, including books, worksheets, past examinations, and multimedia.
- Digital content.

#### Digital facilitation:

Move your classroom into the 21st century using our Facilitator Console.

- Set up your own profile and link learners.
- Access and manage e-books and digital resources using *miEbooks*.
- Share content seamlessly and directly to learners' e-books.
- Create custom e-learning courses (learning paths), including lesson structure, work schedule, and learning elements.
- Set and administer assessments.

#### Training:

Upgrade your teaching skills with our range of SACE-endorsed training and short courses, which blend proven classroom practices with the latest in learning sciences.

Visit our online store at [www.store.it.si](http://www.store.it.si) for a detailed list of products and prices, or contact us for a personalised quote.

Get all these features for free!

On-site: R6 500.00 (per group of up to 30, excluding travel).  
Online: R95.00 per teacher.

Inspire your learners to take charge of their education.

### Learner

#### Learning products:

Access our wide range of learning material.

- E-books.
- Practice software.
- Free learner resources.

#### E-learning:

Use our free e-reader, *miEbooks*, to study anytime, anywhere, even offline.

- Make notes, highlight important sections, and create flashcards to help you study.
- Access content and assessments shared by your teacher.
- Keep track of your progress with personalised analytics.

Visit our online store at [www.store.it.si](http://www.store.it.si) for a detailed list of products and prices, or contact us for a personalised quote.

Download the *miEbooks* app for free.

### Institution

Empower your facilitators and simplify your learning administration.

#### Administration:

Manage your institution's learning centrally using our Facilitator Console.

- Set up and manage your teachers, learners, courses, and classes all in one place.
- Buy books and resources online.
- Enable parents to purchase learning products online.
- Track teaching and learning analytics and reporting.

#### E-learning support:

Take advantage of our in-house support team to ensure that your institution's e-learning is set up correctly and runs smoothly.

- Choose our ad-hoc support option, and use our team only when you need them (with no fixed monthly charge).
- or
- Choose one of our monthly subscription packages for regular on-site support.

Free access to institutions.

Ad-hoc: price per quote.  
Monthly subscription: R5 000 (1 visit), R7 500 (2 visits), or R11 000 (4 visits).

Contact us today for a demo or [CLICK HERE](#) to request more information and we will get back to you.
